## Warranty and care instructions

You have just acquired an Entrelacs lighting fixture and we thank you.

All of our achievements are based on an exceptional know-how for more than 40 years. Made from cast bronze and alabaster, your fixture is designed to last a lifetime. The integrated electrical components were chosen for their manufacturing quality and their remarkable colors rendering.

Dismantling the luminaire is strictly prohibited to avoid the risk of electrocution and loss of warranty. The light source contained in this luminaire must

be replaced by us, or a similarly qualified person. For installation, please follow the installation instructions. If your luminaire has a flexible external cable or cord and it becomes damaged, it must be replaced by us or a person with similar qualifications. Alabaster is a fragile material and in the event of a crack or even breakage you must contact us to have it replaced.

**All our lighting fixtures are guaranteed for 2 years.**

Bronze does not require any special maintenance. However, in order to guarantee the protection of the patina, your lighting fixture is protected by a protective varnish. We invite you to follow some tips.

- cut off the power supply before any maintenance or cleaning operation
- do not use hydroalcoholic products such as glass surface cleaning products or others
- we do not recommend using liquid to clean it
- avoid direct exposure to the rays of the sun and the moon
- remove dust using a soft cloth

## General safety instructions

Read the instruction manual thoroughly before using the appliance.

**WARNING:** When using electrical appliance, basic safety precautions should always be followed to reduce the risk of fire, electrical shock and personal injury. The power supply must be deactivated prior to assembly, maintenance, exchanging the light source or cleaning process.

**ELECTRICAL SAFETY:** the lighting should be installed by authorized electrician only.

**Screws provided are not applicable to all surfaces and ceilings.**

In the case of a specific way of fixing the product please use suitable screws at your disposal.

## Compliance

This product complies with the requirements of Annex 1 DBT (decree 2015 - 1083 of August 27, 2015 relating to the making available on the market of electrical equipment intended to be used within certain voltage limits)

Electrical products must not be thrown out with domestic waste.

They must be taken to a communal collecting point for environmentally friendly disposal in accordance with the local regulations. Contact your local authorities or stockist for advice on recycling.

## Déclaration de conformité UE

Nous attestons que le matériel énoncé ci-dessous, présente les satisfactions et les exigences des Directives en vigueur ainsi que la conformité des normes harmonisées.

### Informations générale :

Société : FONDERIE D'ART MACHERET  
Marque : ENTRELACS  
Adresse : Z.A La Pécardière, 72450 Montfort le Gesnois  
Nom produit : KHEOPS  
Référence produit : WLKS600DU  
Type : applique murale  
Classe : 2  
Degré de protection : IP20  
Tension alimentation : 220 - 240V, 50/60 Hz  
watts : 24W  
Sources : LED COB
